

**IF YOU  
CAN DREAM IT  
WE CAN BRING IT TO LIFE**

# CUSTOM

Prestige specialise in fully customised garage doors. We can clad our doors in anything from copper to ACM, but a few of our more popular styles are shown below.

**PLEXIGLASS**

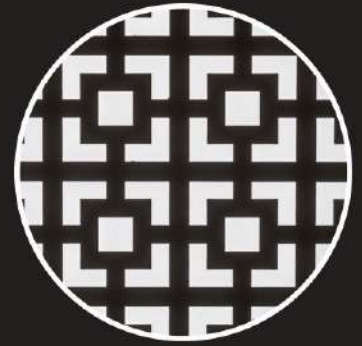

## **Plexiglass**

Our plexiglass garage doors are available in a range of frosted, coloured, and clear finishes

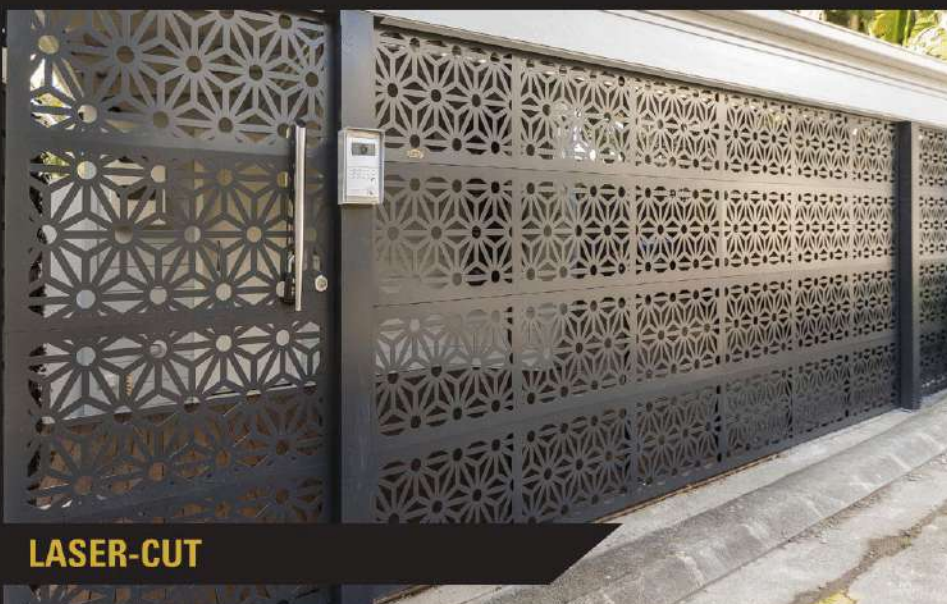

**LASER-CUT WITH PLEXI BACKING**

## **Laser-cut with Plexiglass backing**

Our popular laser-cut style can be paired with plexiglass to provide privacy and security.

**LASER-CUT**

## **Laser-cut**

Our laser-cut garage door can be infinitely customised with any pattern or artwork available in a wide range of powdercoat finishes.

# FLUSHMOUNT

An increasingly popular style in modern architecture, the 'invisible' flushmount door blends and integrates into the face of your home.

# TIMBER ALTERNATIVE

**ALUMINIUM BOARD & BATTEN**

## **Aluminium**

Our classic range of timber doors are reimagined in an aluminium finish, keeping the beauty of timber but removing the need for aesthetic maintenance

**ALUMINIUM TGV**

## **Composite**

One of the most durable yet realistic options on the market, the composite cladding offers up to a 25 year cladding warranty.

**COMPOSITE CLADDING**

# TIMBER

Our timber garage doors are a timeless addition to any property, available in a variety of styles and finishes
