

Prestige Installation Confirmation Checklist

For a successful garage door installation please ensure the following requirements are met. If any of these criteria are not met and our installer is unable to carry out the installation you will be charged a non-install fee of \$120+GST.

- 1) The lining on the ceiling and opening wall are finished.
- 2) The garage is clear 3-4 metres back from the opening.
- 3) We have clear access to the garage.
- 4) We have power in the garage.
- 5) All the fixings are ready as per the nogging schedule supplied.

Any delays to the commencement of installation may also incur a waiting fee.

A minimum of 48 hrs notice is required to change your installation booking, less than this will incur a non-install fee of \$120+GST
